What's your sign?, No, we mean what's the sign you like to have sex with the most. Are they the best lovers? Does their sign matter, and does it make them a better lover? How can the celestial stars know who you want to fuck? Well, we can't answer those questions, but we did ask a few lady porn stars to think back to which Zodiac signs they thought made the best lovers.

THE BEST LOVERS ARE LEOS...

THE LEOS HAVE IT

Petite and sweet, Kylie B. says she likes Leos the best. "They're such animals." she says. "Being small, I like being manhandled, and they like to do that. If you ever fucked a Leo, you'll know that they have an irresistible power. It's weird because it's like they have macho beams coming out of their eyeballs when they fuck you. Next thing you know, you're cumming just from the sheer strength of their manhood. The sexual power surrounding them turns everybody on. Along with that, they're pretty resilient. I know one Leo that came six time on set one day, Of course he had some help with long breaks and boner pills, but still, six times? I've also noticed that they like doggy-style the best. Maybe it's the animal instincts in them, or the dominance they demand when having sex. I've also found that they seem to have the most cum. One time, in a threeway, the guy shot on us girls at least ten spurts each!"

SCORPIOS TOO

Five year porn vet, Anna prefers Scorpios. "They're usually really sexy guys with a bit of a sting in their cock." she says with a sly grin. "They know how to have a good time. You can't help but feel attracted to their warmth and charisma their very being exudes. The thing that Scorpios do is make you the center of attention when you're screwing. This is especially true when he's got more than one girl to fuck. For someone like me, that kind of attention is a really sexy thing. I'll give extra attention to their cock just for that! Also, I think they can lick pussy better than most guys, and even most girls. I'll leave that up to your imagination to picture. Scorpio lovers are the charming kind and they have the best smiles in the business. Even if I didn't fuck for a living, it's all they'd need to do get me into bed. When I'm cumming, I like to scream and the Scorpio guys really know how to make me do it."

AND THEN LIBRAS

Then there's April. She's still a bit of a newbie but already has found the type of guy she prefers. "I haven't been doing this for very long, so right now I prefer a guy who's a little more gentle and patient with me." she says. "I like Libras because they have a crazy sense of humor and can be very deep and spiritual. But most of all, I think they are the most romantic. Not that romance is necessary on a porn set, but these guys will romance you, not just fuck you. One thing that's really cool, is the few Libra men I've met, they all remembered my name. Now that's pretty special since this is a pretty anonymous business. Some even remember the day we met, and even the day we first fucked. I've also found that these guys crave sex. They're always ready to go and it takes very little warm up to get them around and in the mood, so you can really fuck hard with them."

LAUGH, PLAY, SEX

My cell phone is on the seat next to me. I smile at the thought of hearing Fannie's voice. I expect she will be fresh from the shower and ready for some loving. The traffic is light as I head towards her apartment. I'm anxious and my heart is pounding as I get ready to meet her for the very first time.

I'm 32 and Fannie is well into her 20s, but she still looks like a teen. I have never seen her in person, but the pictures she shared with me over the internet and cell phone has fired my imagination. Fannie tells me she has a large appetite for sex. Her passions inspire me and I want to be the best lover I can for her. Fannie has responded to my willingness to try different things and to take the time to arouse her deepest passions before I seek mine. I just know her sweet treasure will be wet and juicy and ready for me. She tells me that her long blonde hair is a veil that hangs over her bountiful breasts.

I call Fannie to tell her that I'm close by. She tells me she is home and awaits me. She is dressed in a short white summer dress and flip flops. Her giggle is happy and almost filled with anticipation. Her slight southern accent only makes her more desirable. We had planned a champagne party to get things started and she still seems willing.

I tell her that I'm parking the car in front of her building. I head up the front stairs to her house and knock on the door. What seems to be an eternity for me, she finally answers. We say hello to each other with huge smiles as we see that the attraction is there. Not wanting to be obvious on the door stoop, she invites me in, closes the door and gives me a big hug. Our breasts touch in the embrace and I feel her fullness. Her face is beautiful, as is her body, and I cannot wait for us to be together. Fannie tell me she is ready to feel my body; ready to take all the loving I can dish out.

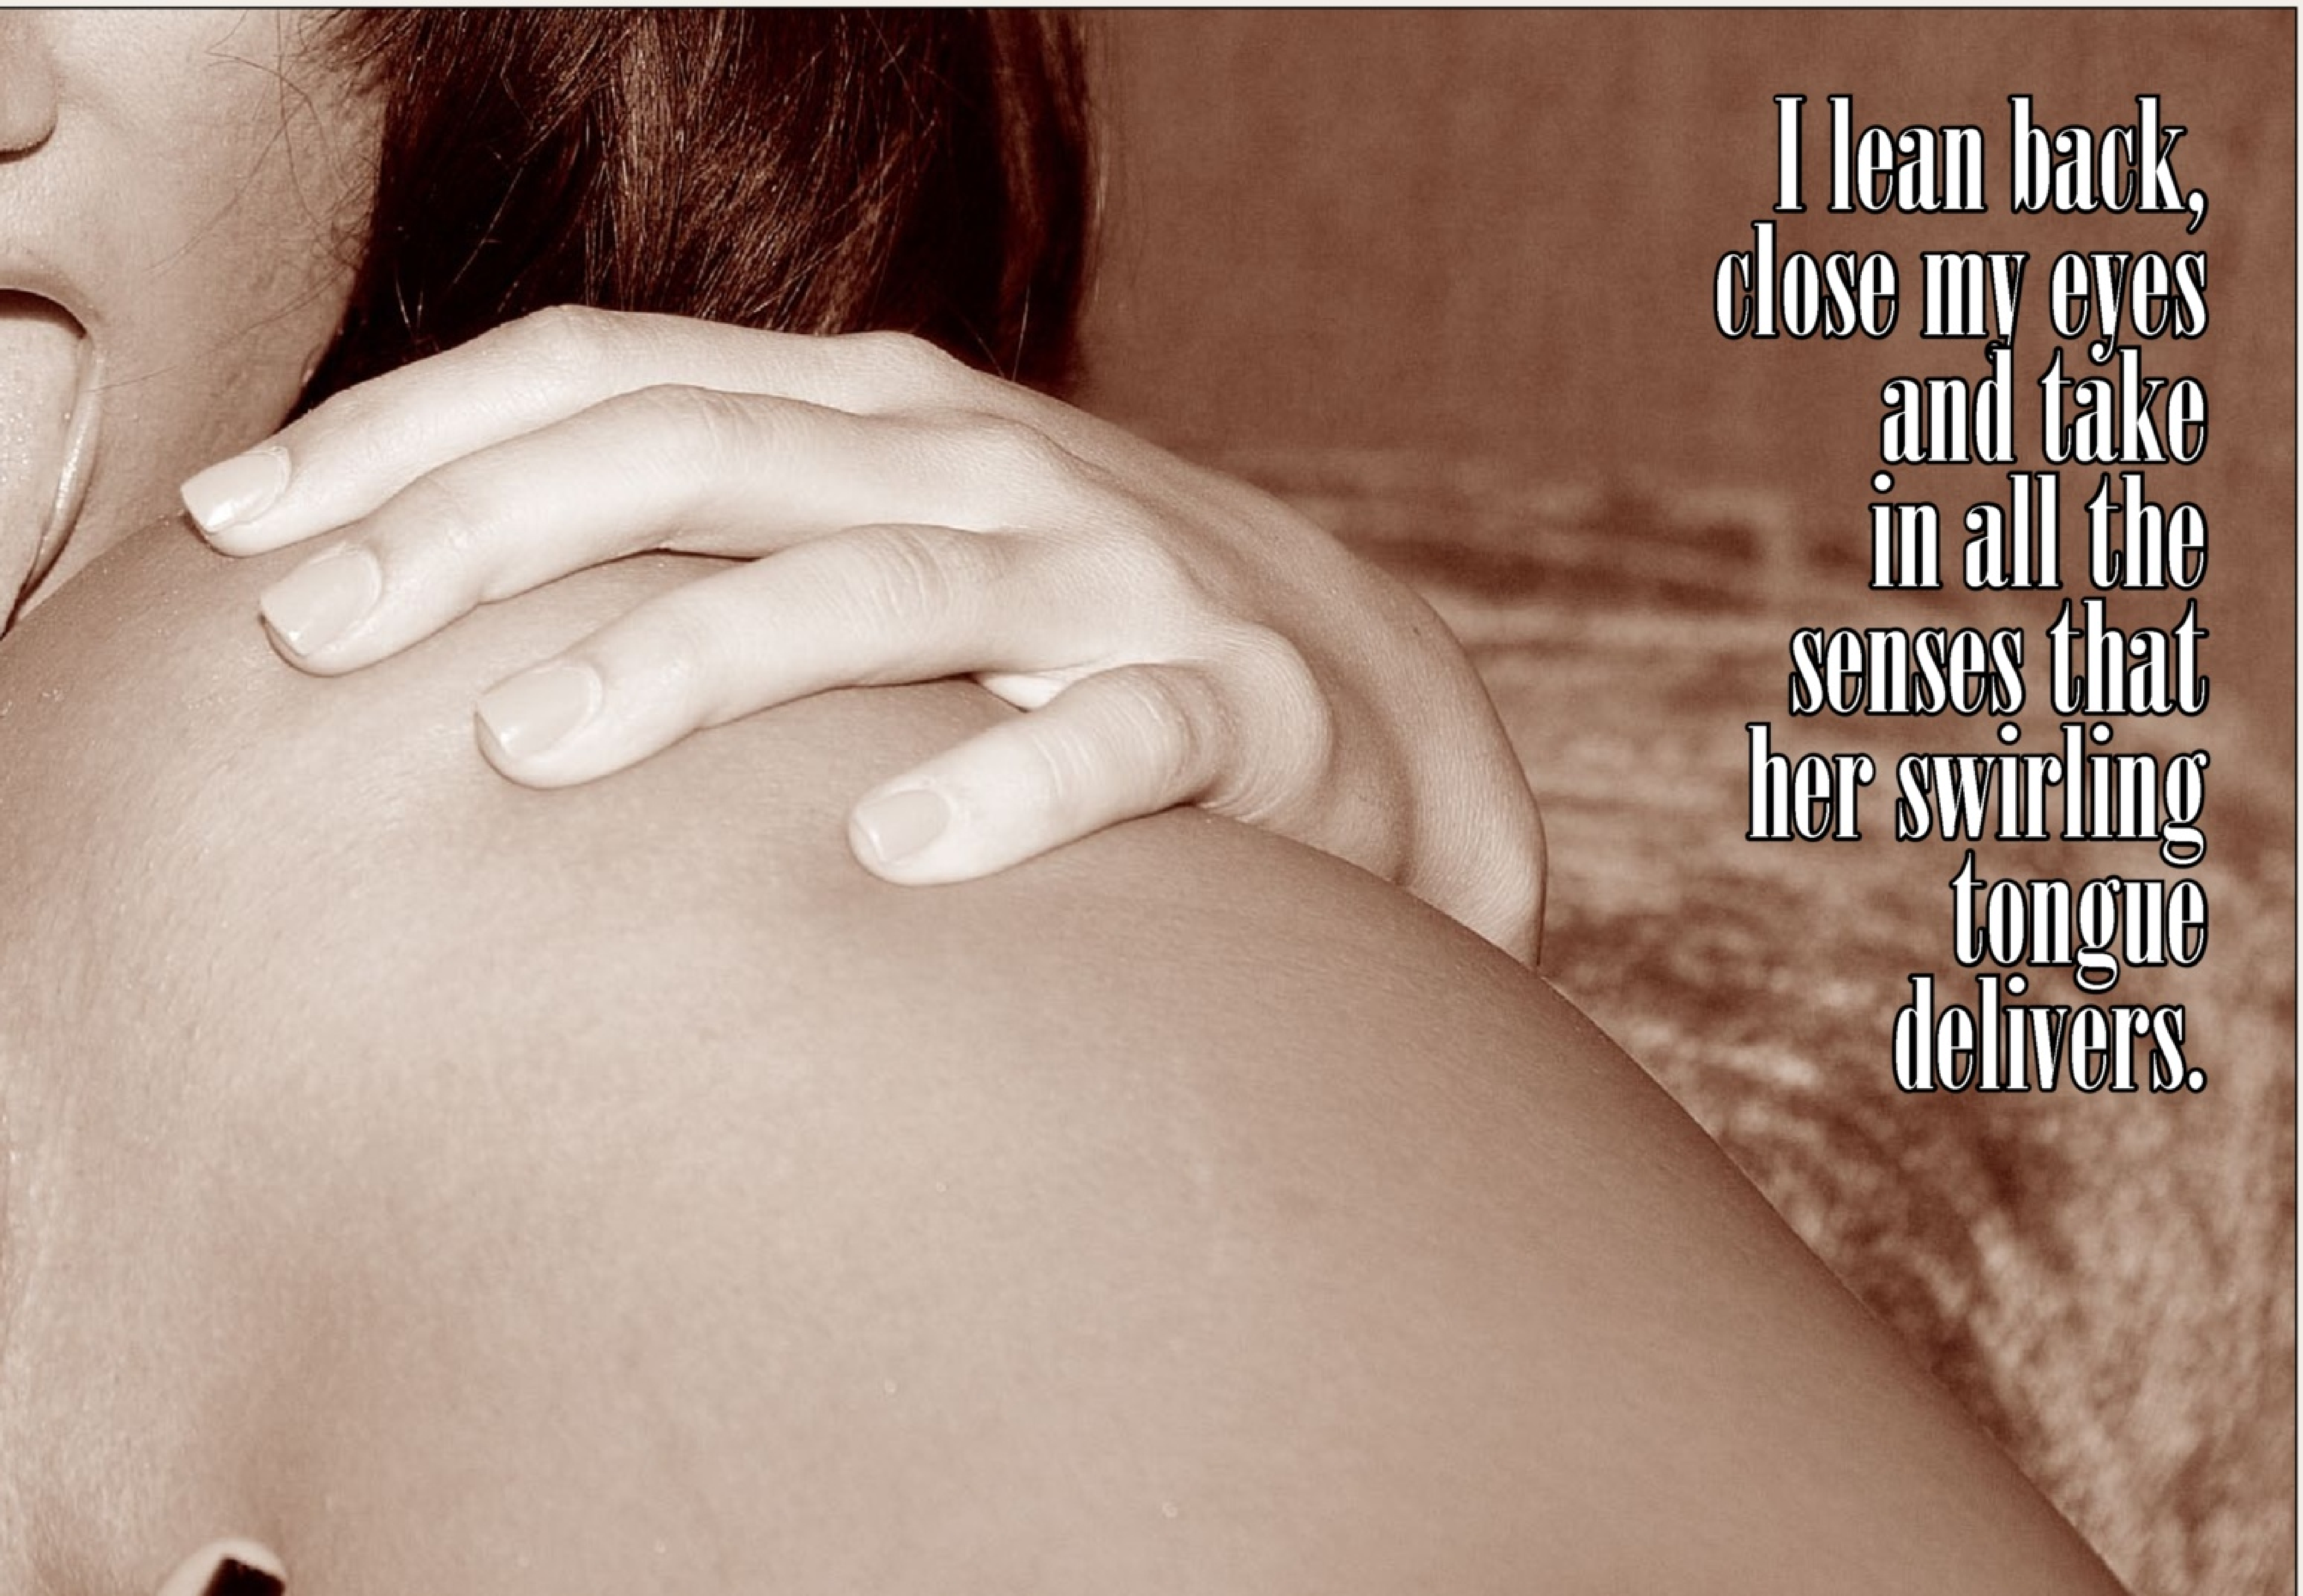
I drop my bag by the door as she escorts me in and offers a cup of coffee or tea. I politely refuse but ask for some water because the warm Philly day has made me thirsty. I look at her as she leaves the room. Her figure is awesome and her hair is gorgeous. She returns from the kitchen and places the glass in my hand. I thank her smiling as I sip and refresh myself. Now I am a little worried; a little performance anxiety, perhaps.

We make small talk for an hour and then the conversation begins to get more erotic. She tells me about some of her experiences, with both men and women. I am the more quiet one and but I feel comfortable telling her about some of mine. Realizing the encounter is now imminent, we put our empty glasses down next to the empty bottle. After a minute I am on my back on the sofa so she can more fully adore me. My dress has hiked up and now my panty is exposed and it seems to fuel her ardor. She arches over me so her pussy is just over my face. I kiss the insides of her silky thighs and work my way up to her treasure.

We're giggly, tipsy and feeling pretty sexy. Slowly we both get upright and on the count of three pull our dress tops open. Our breasts are exposed and again we giggle complimenting each other on their beauty. Hers are full with perfect sized nipples ready to be licked and sucked. Mine are smaller but still quite firm and shapely and her mouth is welcomed with soft moans and groans.

Now it's time for the dresses to come off and release their hidden secrets. As they are pulled down I notice she is clean shaven down there. I have a little hair, but I'm clean shaven around the pussy lips. I cannot take in everything that I want to see. I am on sensory overload. Her slit is shaved smooth. I can just see the pink of her inner lips peeking out. Her breasts are erect. Her smile is so welcoming. I know that I made the right choice. Finally, my gaze settles into her blue eyes. Fannie breaks the spell and the silence by asking me if I like what I see. I manage to sputter out that I am enthralled. I can feel my pussy getting wetter with anticipation. It is a wonderful feeling as my passion begins to rise. I lean over the back of the sofa as she nestles her mouth into my posterior. I feel her tongue probing my pussy lips and rising up to my puckered hole. The feelings are sublime. Her tongue travels well between my pussy and butthole. She gently probes them as they get wetter and wetter with each pass of her tongue.

Now it's my turn as I gaze at the object of my affection and just as I close in to lick her, she pushes me back on the sofa saying she's not done with me yet. I see a sly smile break across her face as she sucks on my nipples and works her way down to my pussy again. Pulling my pussy lips open, she attacks my clit like a velvet warrior: soft yet hard. I lean back, close my eyes and take in all the senses that her swirling tongue delivers.



I lean back, close my eyes and take in all the senses that her swirling tongue delivers.

I climax quickly but she continues to lick me, inserting her fingers deep into my soaking wet pussy thrusting them in and out until I cum again and again. I cannot take any more for the moment. She sits up, and gives me a deep kiss and I taste myself and get even more excited once again. Her skin is softer than I imagined. Bending my head down, I kiss her again pressing a little harder parting her lips and thrusting my tongue past her teeth. Fannie kisses me back with even more passion than before.

My free hand begins to caress Fannie's breasts. Gently I twist and pull her nipples and she moans with pleasure. I never wanted her lips to leave mine again. Laying back on the sofa, I pulled her on top of me. Her magnificent breasts were mashed against mine. My hands reached around and cupped her firm, round ass. My legs were spread and she started to slowly grind her pussy against me. I tried to wrap my legs around her, but she was stronger than me. Her hands roamed my body, working their way lower to my belly. I was laying flat on my back. A gasp escaped my lips as she cupped my mound. She continued to rub my pussy. I grabbed a handful of her hair and pulled her to me. I was nearing a crescendo. Her hand was moving faster. I began to hyperventilate. My hips moved in time with her fingers. I arched my back and thrashed around on her bed. The tingling started in my toes, but we stop.

After a short break and a renewed glass of champagne, I grab my bag and unzip it. I pull out a dildo as big as a large cock and she smiles with approval. We discuss the virtues of a dildo over a cock laughing at the expense of men's penises and the "my cock rules" attitude most of them have. With no hesitation at all, I hold it in front of her as she is on her knees taking it in as far as she can. She reaches back and fondles herself. I want her to touch herself so I can watch. Immediately her hands slide down her body stopping at her full breasts and rubs them until her nipples are rock hard. They continue down to her pussy where she begins to rub her clit with one hand and hold her pussy lips open with the other so I can watch. Her legs part a little wider to allow her to slip her fingers in all the way.

I take the dildo and move around to the front of her and insert it gently into her juicy pussy. Fannie's passion is contagious. I'm now slipping the vibrator in and out of her tight hole. She trembles and her first release rocks through her body. She begs me for more. Six hours have now passed and we head to the bedroom to nap.

Jana Cova

We couldn't wait for this sizzling Czech beauty to strip down and reveal her perfect firm breasts and a perfect taught ass. Jana took a dip in the pool while we waited for the crew to set up but Jana is so hot, the waters didn't have a chance to cool her down. She got out and down on her knees with her ass in the air. Needless to say, it took the crew a couple long hours to set up

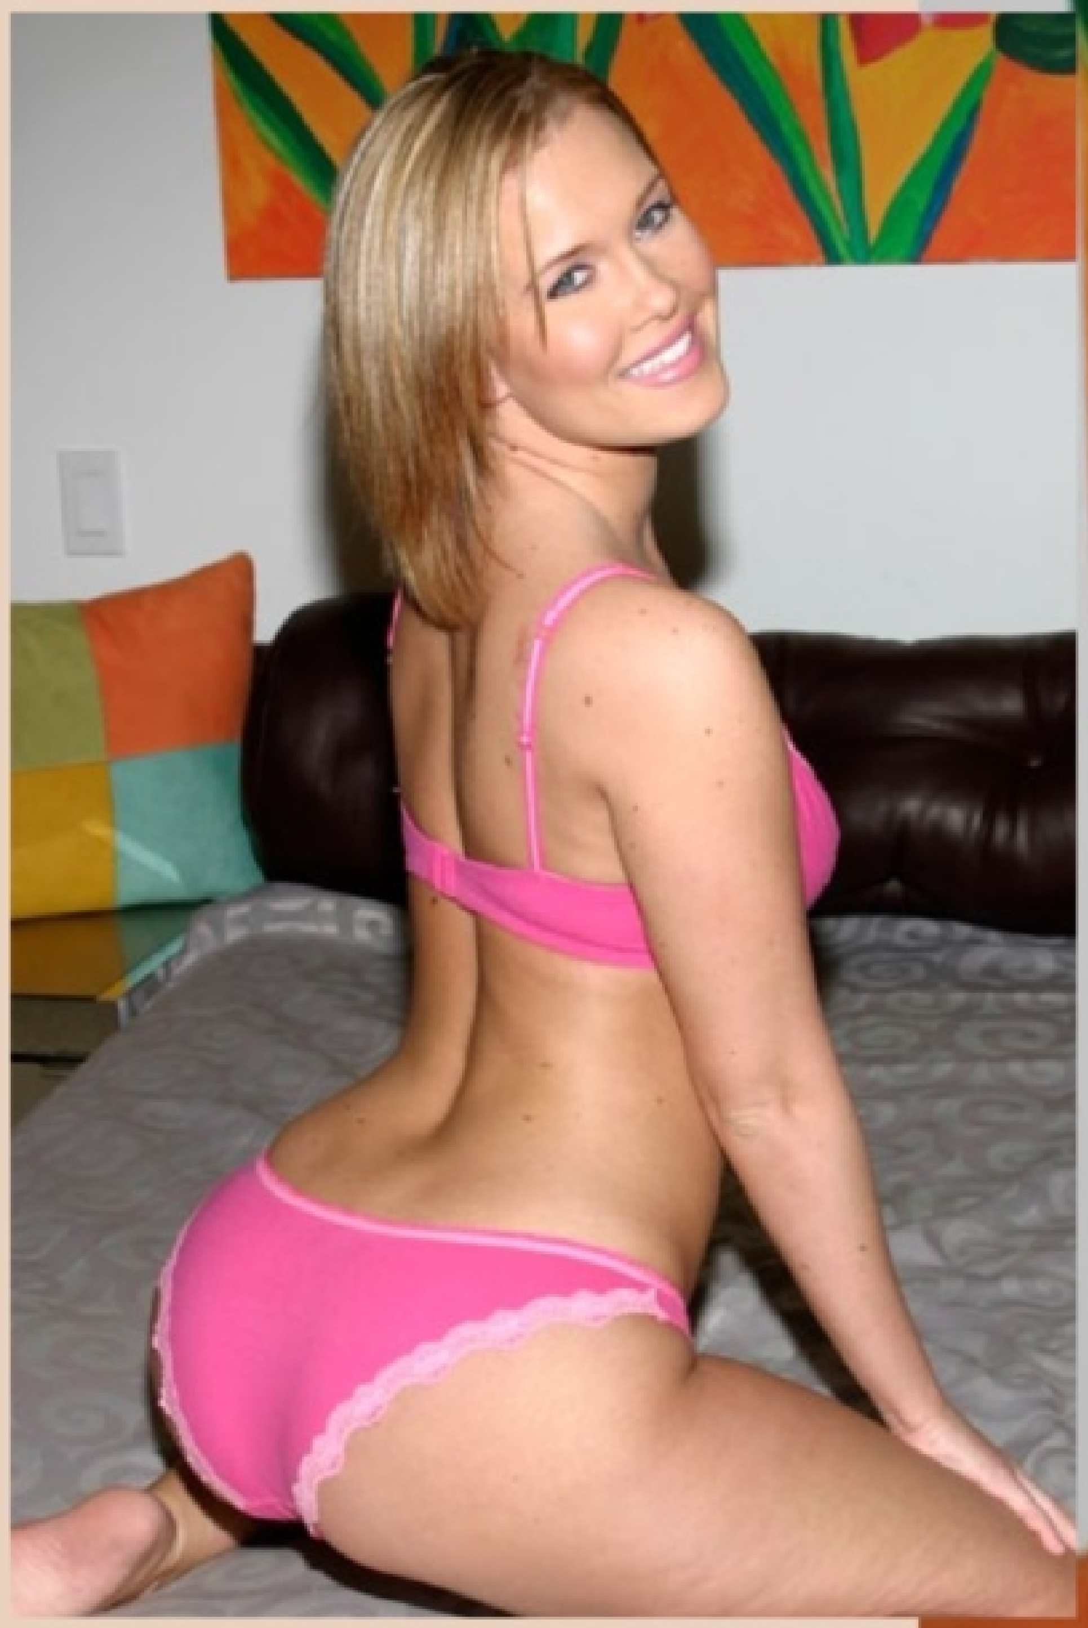
Sasha Knox



Louisville did not prepare me for what I would see and do when I moved to LA. I got married to my high school boyfriend and, of course, it didn't work out. Then I moved to Southern California with my girlfriend and we got involved in a lot of stuff. One of my favorite things was to have a lot of sex with sexy guys and girls. And I got to try a double penetration, as you can see.

I haven't had a girl for a lover yet. I'm not opposed to it, but I see girls more as friends than lovers. I can't quite see licking a pussy because I love to suck cock. I was voted 'Best Little Cocksucker' by the frats at my college. It's a badge I wear proudly and it gets a lot of boys interested in me real fast! Besides, it's fun!!! I have some little tongue tricks that I do that drives the guys crazy.

wine, dinner and you

I'm an Italian-American who's been dating (and screwing) a gorgeous lady for the last six months. Would you believe this whole time I never made her an Italian dish. Yeah, we've had Italian food at restaurants. Some good, some not. So for our six month anniversary, I wanted to make her something a little different, and since mama did all the cooking at home, I had to find something nice and easy... baked spaghetti. Here's how it went when she came over last week.

She arrived at my door and knocked gently. When I opened it, she was standing in a knee length skirt and blouse. Her long black hair framed a beautiful face. Her blouse was just revealing enough to give a hint of what lay underneath. I smiled and invited her in. She gave me a light peck on the cheek as she entered my apartment. She asked what it was she was smelling and I told her I made a little something for our six-months together. She laughed because she had never seen or heard of me cooking.

I told her to come into the kitchen and gave her a glass of merlot that was already poured and breathing. Smirks and smiles and sippings with flirtations, kept us going until we drained the first bottle. I retrieved a second bottle and put it on the island counter. She was leaning on it with her elbows, both hands caressing the wine glass, looking out the window commenting on the evening. I walked behind her and pulled her hips back toward me, arching her back as her hands left the glasses and braced herself on the counter top. She tried to turn towards me. Instead I held her there kissing her neck and shoulders.

Breaking away, I asked her to bring the drinks to the table. I disappear for a few minutes and come back out with.... drum roll, please... my baked spaghetti and put the two dishes on the table. She looks at me in amazement and says it smells great and she can't wait to taste it. Well, I got a woodie right there. We enjoy the meal for the next hour and easily finished the second bottle of wine. Offering to help with the dishes, she stands up and bends over to pick up the plates. I quickly get up and get behind her. I tell her to bend forward some more because I'm now going to taste her. She does and I step reach around to open her blouse, opening each button and pulling her shirt aside. Her braless breasts bounce slightly at they fall out as I push her even further forward. I then grab the bottom of her skirt and pull it up over her ass to her waist. She's wearing a deep red g-string that rides in deep between her ass cheeks. I grab myself a chair and pull the flimsy string aside as I sit down to bury my face between them.

The first lick is to her sweet puckered rose. I catch a quick, light gasp from her and that's enough for me. I pull her panties down and attack her butt the way we attacked the spaghetti, with a delicious fervor. I pull her hips higher and move downward to her pussy. I can see her labia glistening with her moisture. I smell her pussy perfume as her body readies itself for me.

BLAIR-NTS-07

Tasting the sweet pungent flavor of her sex, I reach around and cup both breasts and pull myself deeper into her. I lick between her pussy and anus as she is now bent over, face down on the table with her legs opened into a wide upside-down V. I spend several minutes licking up her juices, watching the strands of sticky wetness connect my tongue to her clit. I caress her body from behind moving from her firm breasts to her pussy mound and back, pinching her nipples with every pass.

I get up from behind her and she sits back in my chair, relaxed and captivated by the blissful display of sensuality from moments ago. I asked her to unzip me. Deftly she opened my belt, button and zipper and pulls my pants and briefs down to my knees. She bends further down to kiss my inner thighs and blow cool air on my balls. She really knows how to tease me, and is now getting me really worked up.

She flicks her tongue across my balls before gently sliding it up the underside of my cock. She engulfs my entire cock in her mouth, slowly sliding down to the base, then sliding her tongue along the underside of it as her lips slowly slid back to the head. Her tongue worked circles around the head of my cock as she began to massage my balls. Up and down her mouth and tongue went, at times keeping her lips off my cock, only her tongue sliding down the underside, sliding back and forth on it was she journeyed down. She knew the effect she was having and that I wouldn't last much longer.

I began thrusting my cock deeper into her mouth, into her throat. She begins moaning and the vibrations of her moan along with her tongue sliding under my cock send me over the edge. With one final thrust I began to cum. Shot after shot into her puckered mouth, filling it with juice she just sucked out of me. Having completed her task, she raised up, smiled and swallowed all that remained in her mouth. She stands up, blouse unbuttoned around her chest, no bottoms and high heels, and clears off the table to the kitchen. I disrobe and when she returns I help her onto her back on the table. I open her legs, slip in between and pull a chair up behind me so she can brace herself for what is to come.

When I slide my cock into her, it is without resistance. I fuck her slowly and pull her hair back, forcing her body to arch more, forcing her to open her pussy to my thrusts. I pull her off the table onto me. I'm still hard and want more. So I pull her down onto my cock and re-enter her. We kiss harder, deeper, our bodies entwining in the orgy our dinner has become. My fingers reach behind her to press into her ass and stimulate her further than before. Finally, I watch her cum and cum and cum.

We make it into the bedroom and collapse on the bed. I wake her after about an hour and we jump into a nice hot midnight shower. After two more hours of fucking we fall asleep in embrace. Morning arrives and I make us some strong coffee. I bring it to her still in bed. I want to surprise her with some wonderful tiramisu but I don't know if the little Italian can take any more.
